ONLY EMPLOYMENT HISTORY AS A NURSE PRACTITIONER IS LISTED IN THIS CV.

Work History: May 2016-Current E&D Legal Nurse Consultants, LLC.

- Partner in the business of retained medical record review of ER, Urgent Care, IDOT, and Hospitalist patient care, interpretation of the guidelines and determination of standard of care practices, with services in court preparation, deposition, and expert witness testimony.
-

3/12/12-Current Midwest Emergency Department Services

- Family Nurse Practitioner in the Emergency Room and Urgent Care Settings delivering minor medical and emergency care according to the IL APN guidelines at the following sites and under the following collaborating physicians:

St. Elizabeth's ER Belleville Rachelle Leach, M.D.

St. Elizabeth's Urgent Care Rachelle Leach, M.D.

St. Mary's ER Centralia Scott Roustio, M.D.

Contract Ended in 2015, no longer credentialed.

Good Samaritan Hospital Mt. Vernon Christie Foster, M.D.

Contract Ended 12/1/12, no longer credentialed.

St. Joseph's Highland Priority Care Hayden Smith, M.D.

St. Joseph's Carlyle Immediate Care Jacob Marshall, M.D.

5/11/16-Current Midwest Emergency Department Services

- Hospitalist duties as Family Nurse Practitioner for inpatients in a 25 bed Critical Access facility while maintaining contact with the multiple Primary Care Physician's who work for the Organization. Collaborating Physician John Vandover, M.D.

2/11/11-2/1/16 Sparta Community Hospital

- Family nurse practitioner at the Convenient Care/North Campus location under the supervision of a collaborating physician, and family practice at the office of SCH quality healthcare clinic in Coulterville, IL with collaborating physician. In addition, I performed various DOT physicals and exams and performed Workman's Comp. exams. I was also an educator for SCH as part of the DSME team. Due to dropping my hours to prn status only, and not having a large opportunity to work there, my active status was dropped and my contract will not be renewed as of 2/1/16. My collaborating physician was Shawn Beckemeyer, M.D.

4/16/13-10/15/13 California Emergency Physicians

- Family Nurse Practitioner in the Emergency Room of Belleville Memorial Hospital. My job duties included coordinating acute needs in the presence of chronic illnesses for patients in the emergency department setting. I resigned effective 10/15/13 and my collaborating physician was Dr. Neil McClymont, M.D.
